

[illegible]

This image shows a blank sheet of white paper designed for handwriting practice. It features ten identical horizontal rows stacked vertically. Each row is defined by three lines: a solid black top line, a dashed black middle line, and a solid black bottom line. The area between the top and middle lines is intended for uppercase letters, while the area between the middle and bottom lines is for lowercase letters. The entire page is otherwise empty, with no margins or additional markings.
